## Fees, Costs, Conflicts, and Standard of Conduct

Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

### What Fees Will I Pay?

Hourly fees are payable upon completion of services. Our annual fee for ongoing services is payable monthly in advance. For family office services, you will pay an annual fee. The fee is payable monthly in advance.

You may pay additional fees, including custodian fees, fees related to mutual funds, and other transactional fees.

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying. For additional information regarding our fees and costs, please see Item 5 of Form ADV.

How might your conflicts of interest affect me, and how will you address them?

### What Are Your Legal Obligations To Me When Acting As My Investment Adviser? How Else Does Your Firm Make Money And What Conflicts Of Interest Do You Have?

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here are some examples to help you understand what this means.
