

INTRODUCTION

Our firm, M Wealth Management, LLC, is an investment adviser registered with the Securities and Exchange Commission. We feel that it is important for you to understand how advisory and brokerage services and fees differ in order to determine which type of account is right for you. There are free and simple tools available to research firms and financial professionals at www.investor.gov/CRS, which also provides educational materials about investment advisers, broker-dealers, and investing.

WHAT INVESTMENT SERVICES AND ADVICE CAN YOU PROVIDE ME?

We are a registered investment adviser that offers investment advisory services to clients. Our advisory services include Asset Management and Financial Planning. If you open an advisory account with our firm, we'll meet with you to understand your current financial situation, existing resources, goals, and risk tolerance. Based on what we learn, we'll recommend a portfolio of investments that is monitored at least annually, and if necessary, rebalanced to meet your changing needs, stated goals and objectives. We'll offer you advice on a regular basis and contact you at least annually to discuss your portfolio.

We manage accounts on a discretionary basis. After you sign an agreement with our firm, we're allowed to buy and sell investments in your account without asking you in advance. Any limitations will be described in the signed advisory agreement. We will have discretion until the advisory agreement is terminated by you or our firm.

We do not restrict our advice to limited types of products or investments.

Our firm requires a minimum initial investment of \$25,000 to open and maintain an account, or group of related accounts for our Asset Management services. In certain cases, account minimums may be waived at our sole discretion.

Financial Planning & Consulting may be combined with our Asset Management service for a single agreed upon fee not to exceed the maximum fees for Asset Management services outlined below. Financial Planning is offered as a standalone service for a flat or hourly fee. We do not monitor your investments for the Financial Planning & Consulting service.

Additional information about our advisory services is located in Item 4 & 7 of our Firm Brochure which can be found online at <https://adviserinfo.sec.gov/firm/summary/281532>.

Questions to Ask Us: Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education and other qualifications? What do those qualifications mean?

WHAT FEES WILL I PAY?

You will be charged an ongoing annual fee applied quarterly or monthly fee based on the value of the investments in your account or according to a flat fee. The maximum annual fee for Asset Management service will not exceed \$50,000 or 2.00%. The more assets you have in your advisory account, the more you will pay us. We therefore have an incentive to increase the assets in your advisory account in order to increase our fees. Our fees vary and are negotiable. The amount you pay will depend, for example, on the services you receive and the amount of assets in your account. Our firm's fees will be automatically deducted from your advisory account, which will reduce the value of your advisory account. In rare cases, our firm will agree to send you invoices rather than automatically deduct our firm's fees from your advisory account.

Our maximum flat fee is \$10,000 and our maximum hourly rate is \$400 for standalone Financial Planning & Consulting services.

The custodian that holds your assets may charge you a transaction fee when we buy or sell an investment for you. The custodian's transaction fees are in addition to our firm's fees for our Asset Management service. You may also pay charges imposed by the custodian holding your accounts for certain investments and

maintaining your account. Some investments, such as mutual funds, index funds, exchange traded funds, and variable annuities, charge additional fees that will reduce the value of your investments over time.

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

Additional information about our fees is in Item 5 of our Firm Brochure, which can be found online at <https://adviserinfo.sec.gov/firm/summary/281532>.

Questions to Ask Us: Help me understand how these fees and costs may affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs and how much will be invested for me?

WHAT ARE YOUR LEGAL OBLIGATIONS TO ME WHEN ACTING AS MY INVESTMENT ADVISER? HOW ELSE DOES YOUR FIRM MAKE MONEY AND WHAT CONFLICTS OF INTEREST DO YOU HAVE?

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice, we provide you. Here are some examples to help you understand what this means:

Representatives of our firm are licensed tax preparers. Tax planning and preparation services are provided through Melbrod Tax Services, a DBA of M Wealth Management, LLC. These services are independent of our investment advisory and financial planning services, and are governed under a separate agreement. Clients may be solicited to utilize these services, however, they are under no obligation to do so.

Additional information about our conflicts of interest is in Item 10 of our Firm Brochure, which can be found online at <https://adviserinfo.sec.gov/firm/summary/281532>.

Questions to Ask Us: How might your conflicts of interest affect me, and how will you address them?

HOW DO YOUR FINANCIAL PROFESSIONALS MAKE MONEY?

Our financial professionals are compensated based on the revenue our firm earns from their advisory services or recommendations, the amount of client assets they service, and the time and complexity required to meet a client's needs.

DO YOU OR YOUR FINANCIAL PROFESSIONALS HAVE LEGAL OR DISCIPLINARY HISTORY?

No, our firm and financial professionals do not have any legal and disciplinary history to disclose. Visit www.investor.gov/CRS for a free and simple search tool to research our firm and our financial professionals.
