Introduction

What investment services and advice can you provide me?

Our firm offers the following principal investment advisory services to retail investors. Our firm provides investment discretion for the following services. If you invest on a discretionary basis, our firm will buy and sell investments in your accounts without requiring your pre-approval on an ongoing basis until you notify us in writing to switch.

- Portfolio management—monitored continuously as part of our standard service.
- Investment recommendations—monitored continuously as part of our standard service.

For additional information including minimum investment amounts, please see <https://www.pinnacleportfolio.com> or <https://adviserinfo.sec.gov/firm/summary/287622> for our Form ADV, 2A brochure (Items 4 and 7 of Part 2A).

Conversation starters. *Ask your financial professional:*

- *Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me?*
- *What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?*

What fees will I pay?

Our fees can be assessed quarterly and are disclosed in our Form ADV Part 1A, Item 5.E. and more fully described in our Form ADV Part 2A, Items 5.A., B., C., and D. Some fees create a conflict of interest described below and in more detail in our Firm's Part 2A.

- Our firm charges you asset based fees, and more assets in the account will cause you to pay more in fees, and therefore we have an incentive to encourage you to increase the amount of money invested in those accounts.

Examples of the most common fees and costs applicable to you which are charged by unaffiliated third parties include custodian fees, account maintenance fees, fees related to mutual funds and variable annuities, and other transactional fees and product-level fees. Our firm does not receive any portion of these types of fees.

Additional Information:

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

For more detailed information about our fees and costs please review our Form ADV, Part 2A brochure (specifically Item 5) which can be found at <https://www.pinnacleportfolio.com> or <https://adviserinfo.sec.gov/firm/summary/287622>.

Conversation starter. Ask your financial professional:

– Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

What are your legal obligations to me when providing recommendations when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Below is an example to help you understand what this means.

- Our firm makes money by offering products and services to you that we in turn earn money on, and therefore have an incentive to sell these products to you.

Conversation starter. Ask your financial professional:

– How might your conflicts of interest affect me, and how will you address them?

Additional information:

For more detailed information about our fees and costs please review our Form ADV, Part 2A brochure (specifically Item 5) which can be found at <https://www.pinnacleportfolio.com> or <https://adviserinfo.sec.gov/firm/summary/287622>.
