

Form ADV Part 3 – Client Relationship Summary

Date: 05/22/2026

Item 1: Introduction

Charlesbridge Advisors is an investment advisor registered with the Securities and Exchange Commission offering advisory accounts and services. Investment advisory services and fees differ, and it is important that you understand the differences. This document gives you a summary of the types of services and fees we offer. Please visit www.investor.gov/CRS for complimentary, simple tools to research firms and financial professionals, as well as educational materials about broker-dealers, investment advisers, and investing.

Item 2: Relationships and Services

What investment services and advice can you provide me? Our firm primarily offers the following investment advisory services to clients: portfolio management (we review your portfolio, investment strategy, and investments) and financial planning (we assess your financial situation and provide advice to meet your goals). As part of our standard services, we typically monitor client accounts on a regular basis. Our firm offers both discretionary advisory services (where our firm makes the decision regarding the purchase or sale of investments) as well as non-discretionary services (where the investor makes the ultimate decision). We limit the types of investments that are recommended since not every type of investment vehicle is needed to create an appropriate portfolio, but do not limit these investments to proprietary products. Our relationship minimum size is \$250,000, which may be waived by the firm in its discretion. Please also see our Form ADV Part 2A ("[Brochure](#)"), specifically Items 4 & 7.

Questions to ask us: Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?

Item 3: Fees, Costs, Conflicts, and Standard of Conduct

What fees will I pay? All clients pay a fee based on assets under management. Additionally, the amount of assets in your account affects our advisory fee; the more assets you have in your advisory account, the more you will pay and thus we have an incentive to increase your account value to the best of our ability. Asset-based portfolio management fees are withdrawn directly from the client's accounts with client's written authorization on a monthly basis. Fees are paid in arrears. Please also see Items 4, 5, 6, 7 & 8 of our [Brochure](#).

Some investments (e.g., mutual funds, ETFs, etc.) impose additional fees (e.g., transactional fees and product-level fees) that reduce the value of your investment over time. The same goes for any additional fees you pay to a custodian. **You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.** Please also see our [Brochure](#) for additional details.

Form ADV Part 3 – Client Relationship Summary

Date: 05/22/2026

Questions to ask us: Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have? *When we act as your investment adviser*, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here are some examples to help you understand what this means:

- For AUM fees, the more assets you have in your advisory account, the more you will pay us and thus we have an incentive to grow those assets in order to increase our fee

Questions to ask us: How might your conflicts of interest affect me, and how will you address them?

How do your financial professionals make money? Primarily, we and our financial professionals receive cash compensation from the advisory services we provide to you because of the advisory fees we receive from you. This compensation may vary based on different factors, such as those listed above in this Item. Please also see Item 10 of our [Brochure](#) for additional details.

Item 4: Disciplinary History

Do you or your financial professionals have legal or disciplinary history? No, we do not have legal and disciplinary events. Visit <https://www.investor.gov/> for a complimentary, simple search tool to research us and our financial professionals.

Questions to ask us: As a financial professional, do you have any disciplinary history? For what type of conduct?

Item 5: Additional Information

For additional information on our advisory services, see our [Brochure](#) available at <https://adviserinfo.sec.gov/firm/summary/341159> and any individual brochure supplement your representative provides. If you have any questions, need additional information, or want another copy of this Client Relationship Summary, then please contact us at (781) 682-3299.

Questions to ask us: Who is my primary contact person? Is he or she a representative of an investment adviser or a broker-dealer? Who can I talk to if I have concerns about how this person is treating me?
