SECTION 5.K.(1) Separately Managed Accounts

After subtracting the amounts reported in Item 5.D.(3)(d)-(f) from your total regulatory assets under management, indicate the approximate percentage of this remaining amount attributable to each of the following categories of assets. If the remaining amount is at least \$10 billion in regulatory assets under management, complete Question (a). If the remaining amount is less than \$10 billion in regulatory assets under management, complete Question (b).

Any regulatory assets under management reported in Item 5.D.(3)(d), (e), and (f) should not be reported below.

If you are a subadviser to a separately managed account, you should only provide information with respect to the portion of the account that you subadvise.

End of year refers to the date used to calculate your regulatory assets under management for purposes of your *annual updating amendment* . Mid-year is the date six months before the end of year date. Each column should add up to 100% and numbers should be rounded to the nearest percent.

Investments in derivatives, registered investment companies, business development companies, and pooled investment vehicles should be reported in those categories. Do not report those investments based on related or underlying portfolio assets. Cash equivalents include bank deposits, certificates of deposit, bankers' acceptances and similar bank instruments.

Some assets could be classified into more than one category or require discretion about which category applies. You may use your own internal methodologies and the conventions of your service providers in determining how to categorize assets, so long as the methodologies or conventions are consistently applied and consistent with information you report internally and to current and prospective clients. However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

As of the date of this filing, the Adviser renders advisory services primarily to clients outside of the United States. Accordingly, the details contained on the From ADV Part 1A relate primarily to the Advisers business outside of the United States. The Adviser's discretionary managed account clients outside of the U.S. primarily invest in the firms pooled funds. The firm has completed Item 5 by reporting at the client level and to avoid double counting the Adviser has not also included their Canadian pooled funds that act only as investment vehicles for their discretionary managed account clients. Moreover, high net worth individuals disclosed in Item 5 are non-U.S. clients. Furthermore, certain of the responses contained herein, including responses to Items 5.B(6), 7.B, 8.A and 9, are limited to the Adviser’s clients that are U.S. persons. Consistent with prior SEC precedent, the substantive provisions of the U.S. Investment Advisers Act of 1940 generally will not apply to the Adviser’s relationship with its non-U.S. clients, except to the extent otherwise required by applicable law. Accordingly, in responding to these specified questions, the Adviser has limited its responses to its U.S. client base.
