Do not report those investments based on related or underlying portfolio assets. Cash equivalents include bank deposits, certificates of deposit, bankers' acceptances and similar bank instruments.

Some assets could be classified into more than one category or require discretion about which category applies. You may use your own internal methodologies and the conventions of your service providers in determining how to categorize assets, so long as the methodologies or conventions are consistently applied and consistent with information you report internally and to current and prospective clients. However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

If "yes," then for each private fund that you advise, you must complete a Section 7.B.(1) of Schedule D, except in certain circumstances described in the next sentence and in Instruction 6 of the Instructions to Part 1A. Item 11 Disclosure Information

In this Item, we ask for information about your disciplinary history and the disciplinary history of all your *advisory affiliates*. We use this information to determine whether to grant your application for registration, to decide whether to revoke your registration or to place limitations on your activities as an investment adviser, and to identify potential problem areas to focus on during our on-site examinations. One event may result in "yes" answers to more than one of the questions below. In accordance with General Instruction 5 to Form ADV, "you" and "your" include the *filing adviser* and all *relying advisers* under an *umbrella registration*.

Your *advisory affiliates* are: (1) all of your current *employees* (other than *employees* performing only clerical, administrative, support or similar functions); (2) all of your officers, partners, or directors (or any *person* performing similar functions); and (3) all *persons* directly or indirectly *controlling* you or *controlled* by you. If you are a "separately identifiable department or division" (SID) of a bank, see the Glossary of Terms to determine who your *advisory affiliates* are.

If you are registered or registering with the SEC or if you are an exempt reporting adviser, you may limit your disclosure of any event listed in Item 11 to ten years following the date of the event. If you are registered or registering with a state, you must respond to the questions as posed; you may, therefore, limit your disclosure to ten years following the date of an event only in responding to Items 11.A.(1), 11.A.(2), 11.B.(1), 11.B.(2), 11.D.(4), and 11.H.(1)(a). For purposes of calculating this ten-year period, the date of an event is the date the final order, judgment, or decree was entered, or the date any rights of appeal from preliminary orders, judgments, or decrees lapsed.

You must complete the appropriate Disclosure Reporting Page ("DRP") for "yes" answers to the questions in this Item 11.

Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

For purposes of Item 5.A and 5.B, the information reported is as of March 2025. For purposes of responding to Item 5.C.(1), we have not included clients (if any) for whom we had regulatory assets under management at the time we were providing investment advisory services to such client. As our separately-managed account clients are also investors in our private fund clients, these assets were (x) double-counted for purposes of responding to Items 9.A.(2) and 9.B.(2) and (y) attributed to both the client type described in Item 5.D.(3)(f) as well as a client type described in Item 5.D.(3)(b), (g) or (h), as applicable, for purposes of Item 5.D.(3); this methodology was carried through for purposes of our responses to Item 5.F., Item 5.K.,Section 5.K.(1) and Section 5.K.(2). For purposes of Item 5.F.(2), the number of accounts is in several cases double counted due to the fact that some client accounts have both discretionary and non-discretionary portions. The ownership and other information reported in Item 10, as well as the names of the Directors for Investure Alternative Fund, Ltd. listed in Item 7.B(1)(3), are as of January 1, 2025. The information reported in Schedule A is as of December 31, 2024. Commencing December 31, 2018, Investure moved internally from a monthly accounting close process to a quarterly accounting close process for the tranches and series of Investure Evergreen Fund, LP and Investure PE Fund, LP (each of which is described in Item 7.B.(1) as a separate private fund (the "Investure private funds")). This quarterly accounting close is expected to be completed once a sufficient amount of valuations in respect of the underlying investments of such Investure private funds have been received from the third-party managers of these investments (expected to be approximately 75-85 days or more after the end of

the first three fiscal quarters and approximately160-175 days or more after the end of the fourth fiscal quarter). Investure has implemented a similar quarterly accounting close process for Investure Crossover Fund, LP – Series 1. Investure's separately managed account clients also invest directly in certain illiquid drawdown private funds (the "SMA Private Fund Investments"), and Investure has implemented a similar quarterly accounting close process for these SMA Private Fund Investments. For purposes of Items 5.D., 5.F., 5.K., 7.B.(1) and 9,Investure has reported preliminary values (which underlie, among other things, gross asset values for the Investure private funds, regulatory assets undermanagement, and percentages and values of asset types) for the Investure private funds and SMA Private Fund Investments consistent with how Investure has reported (on a preliminary basis) such information to its clients (the "preliminary information"). However, these values are expected to change in connection with the quarterly accounting close for fourth quarter 2024 (at which point final values for the Investure private funds and SMA Private Fund Investments are expected to be determined, in each case as of 12/31/24). The statistical information in these items generally is as of 12/31/24.
