Item 11 Disclosure Information		
In this Item, we ask for information about your disciplinary history and the disciplinary history of all your <i>advisory affiliates</i>. We use this information to determine whether to grant your application for registration, to decide whether to revoke your registration or to place limitations on your activities as an investment adviser, and to identify potential problem areas to focus on during our on-site examinations. One event may result in "yes" answers to more than one of the questions below. Your <i>advisory affiliates</i> are: (1) all of your current <i>employees</i> (other than <i>employees</i> performing only clerical, administrative, support or similar functions); (2) all of your officers, partners, or directors (or any <i>person</i> performing similar functions); and (3) all <i>persons</i> directly or indirectly <i>controlling</i> you or <i>controlled</i> by you. If you are a "separately identifiable department or division" (SID) of a bank, see the Glossary of Terms to determine who your <i>advisory affiliates</i> are. <i>If you are registered or registering with the SEC or if you are an exempt reporting adviser, you may limit your disclosure of any event listed in Item 11 to ten years following the date of the event. Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than \$25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.
