If the remaining amount is at least \$10 billion in regulatory assets under management, complete Question (a). End of year refers to the date used to calculate your regulatory assets under management for purposes of your *annual updating amendment* . Mid-year is the date six months before the end of year date. Each column should add up to 100% and numbers should be rounded to the nearest percent.

Investments in derivatives, registered investment companies, business development companies, and pooled investment vehicles should be reported in those categories. Do not report those investments based on related or underlying portfolio assets. Cash equivalents include bank deposits, certificates of deposit, bankers' acceptances and similar bank instruments.

Some assets could be classified into more than one category or require discretion about which category applies. You may use your own internal methodologies and the conventions of your service providers in determining how to categorize assets, so long as the methodologies or conventions are consistently applied and consistent with information you report internally and to current and prospective clients. However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

If you are a "separately identifiable department or division" (SID) of a bank, see the Glossary of Terms to determine who your *advisory affiliates* are.

If you are registered or registering with the SEC or if you are an exempt reporting adviser, you may limit your disclosure of any event listed in Item 11 to ten years following the date of the event. If you are registered or registering with a state, you must respond to the questions as posed; you may, therefore, limit your disclosure to ten years following the date of an event only in responding to Items 11.A.(1), 11.A.(2), 11.B.(1), 11.B.(2), 11.D.(4), and 11.H.(1)(a). For purposes of calculating this ten-year period, the date of an event is the date the final order, judgment, or decree was entered, or the date any rights of appeal from preliminary orders, judgments, or decrees lapsed.

You must complete the appropriate Disclosure Reporting Page ("DRP") for "yes" answers to the questions in this Item 11.

Item 12 Small Businesses

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than \$25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of *clients*. In determining your or another *person's* total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

A.

Did you have total assets of \$5 million or more on the last day of your most recent fiscal year?

If "yes," you do not need to answer Items 12.B. and 12.C.

B.

Do you:

(1) *control* another investment adviser that had regulatory assets under management (calculated in response to Item 5.F.(2)(c) of Form ADV) of \$25 million or more on the last day of its most recent fiscal year?

(2) *control* another *person* (other than a natural person) that had total assets of \$5 million or more on the last day of its most recent fiscal year?

C.

Are you:

(1) *controlled* by or under common *control* with another investment adviser that had regulatory assets under management (calculated in response to Item 5.F.(2)(c) of Form ADV) of \$25 million or more on the last day of its most recent fiscal year?

(2) *controlled* by or under common *control* with another *person* (other than a natural person) that had total assets of \$5 million or more on the last day of its most recent fiscal year?

Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

In addition to the entities listed in response to Items 5 and 7, in order to meet tax or other requirements of certain investors, these investors may invest in substantially the same portfolio as the funds listed above through specially formed alternative investment vehicles. The assets of these alternative investment vehicles have been included with those of the corresponding funds in this Form ADV, and such alternative investment vehicles have not been treated as separate clients distinct from their corresponding funds. Regarding Item 5, the Adviser has classified private funds whose general partner or managing member is a related person of the Adviser as “discretionary” accounts, including where such general partner or managing member has retained the right to execute transactions on behalf of the applicable fund. Regarding question 8 of Section 7.B(1) on Schedule D, the Adviser has not counted assets invested into co-investment vehicles managed by the Adviser or its related persons where such vehicles are used for structuring purposes and are not themselves intended to be the ultimate investment. It has counted such assets for private fund 805-8975728288, which invests substantially all of its assets in such co-investment vehicles. Regarding question 11 of Section 7.B(1) on Schedule D, the Adviser has included uncalled commitments to the respective private funds in the "gross asset value". Regarding question 13 of Section 7.B(1) on Schedule D, where the general partner of a private fund has a financial interest in such fund, the Adviser has treated the general partner as a single beneficial owner. Regarding question 16 of Section 7.B(1) on Schedule D, the Adviser has classified as “non-United States Persons” a fund-of-funds that is organized in Delaware but was marketed to, and to the knowledge of the Adviser beneficially owned by, non-United States investors. Regarding question 22 of Section 7.B(1) on Schedule D, for master-feeder arrangements, the Adviser has listed the Form D File Numbers for the feeder funds in instances where the master fund did not file a Form D and has otherwise listed both. Regarding Item 8.A.(1), on occasion, fund clients constituting related persons will purchase from or sell securities to each other, or a fund client may sell securities to a co-investment vehicle that constitutes a related person, but these are not "principal transactions" on the part of the Adviser. Regarding Item 8.A.(2), on occasion co-investment vehicles under common control with the Adviser that qualify as related persons but are not advisory clients will invest alongside advisory clients. Regarding Item 8.B.(3), we assume that the scenarios described in this question include “fund re-balancing”, follow-on investments and similar transactions. Regarding Item 8.H, although not compensation for “client” referrals," the Adviser has historically compensated certain persons for investor referrals.
