After subtracting the amounts reported in Item 5.D.(3)(d)-(f) from your total regulatory assets under management, indicate the approximate percentage of this remaining amount attributable to each of the following categories of assets. If the remaining amount is at least \$10 billion in regulatory assets under management, complete Question (a). If the remaining amount is less than \$10 billion in regulatory assets under management, complete Question (b).

Any regulatory assets under management reported in Item 5.D.(3)(d), (e), and (f) should not be reported below.

If you are a subadviser to a separately managed account, you should only provide information with respect to the portion of the account that you subadvise.

End of year refers to the date used to calculate your regulatory assets under management for purposes of your *annual updating amendment* . Mid-year is the date six months before the end of year date. Each column should add up to 100% and numbers should be rounded to the nearest percent.

Investments in derivatives, registered investment companies, business development companies, and pooled investment vehicles should be reported in those categories. Do not report those investments based on related or underlying portfolio assets. Cash equivalents include bank deposits, certificates of deposit, bankers' acceptances and similar bank instruments.

Some assets could be classified into more than one category or require discretion about which category applies. You may use your own internal methodologies and the conventions of your service providers in determining how to categorize assets, so long as the methodologies or conventions are consistently applied and consistent with information you report internally and to current and prospective clients. However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

Item 12 Small Businesses

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than \$25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of *clients*. In determining your or another *person's* total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

A.	Did you have total assets of \$5 million or more on the last day of your most recent fiscal year?	Yes	No
	<i>If "yes," you do not need to answer Items 12.B. and 12.C.</i>	☐	☐

B. Do you:

(1) *control* another investment adviser that had regulatory assets under management (calculated in response to Item 5.F.(2)(c) of Form ADV) of \$25 million or more on the last day of its most recent fiscal year?

(2) *control* another *person* (other than a natural person) that had total assets of \$5 million or more on the last day of its most recent fiscal year?

C. Are you:

(1) *controlled* by or under common *control* with another investment adviser that had regulatory assets under management (calculated in response to Item 5.F.(2)(c) of Form ADV) of \$25 million or more on the last day of its most recent fiscal year?

(2) *controlled* by or under common *control* with another *person* (other than a natural person) that had total assets of \$5 million or more on the last day of its most recent fiscal year?

Schedule D - Miscellaneous

You may use the space below to explain a response to an Item or to provide any other information.

Items 1B and 7.A: Ecosystem Investment Partners, LLC (EIP) has established special purpose vehicles (each an “SPV”) to act as the general partners of its private funds. The SPVs have not registered with the Commission in reliance on the positions expressed in the ABA No-Action Letters dated December 8, 2005 and January 18, 2012. EIP is not filing a Schedule R for each general partner and is instead including disclosure here, pursuant to an SEC Staff response to a Form ADV, Frequently Asked Question posted June 2017, guiding registrants that a Schedule R is not required. On Schedule D, Sections 1.B. and 7.A., EIP has omitted (i) the general partners of its private fund general partners (ultimate general partners) which were formed for structuring or liability purposes, (ii) certain special purpose entities owned by the funds that were formed for tax reasons and (iii) other mostly disregarded entities associated with the investment adviser. A full list of omitted entities will be provided to the SEC upon request. // Item 1.F.: The response to this item includes all offices at which EIP conducts investment advisory business. Office locations of affiliated entities are not included in this response as investment advisory business is not conducted at such locations (e.g., office space for affiliate project managers). // Item 5.A.: EIP employed 20 individuals as of March 2026. Employees of affiliated entities are not counted as EIP employees under Item 5.A., as such individuals are not EIP Supervised Persons providing investment advice on EIP’s behalf. The instructions to Form ADV, Part 1A define a Supervised Person as including “any of your officers, partners, directors (or other persons occupying a similar status or performing similar functions), or employees, or other person who provides investment advice on your behalf and is subject to your supervision or control.” // Items 5.F., 7.B., and 9: Regulatory assets under management (RAUM) and custody assets reported herein are as of December 31, 2025, and are based upon draft audited financial statements for funds under management. Responses provided for Items 5.F. and 7.B., with respect to the number of clients and accounts, is as of March 31 2026, the date of EIP’s Form ADV annual filing. EIP is deemed to have custody of private fund client assets because EIP and its related persons serve as the general partners of the funds. Items 9.A.(2)(a) and 9.B.(2)(a) exclude uncalled capital that is included in Item 5.F. RAUM and the responses to Section 7.B. The number of clients for which these related persons are deemed to have custody is included in Items 9.A. (2) (b) and 9.B. (2)(b) as of March 31, 2026. Effective 1-1-2025, EIP Credit Co II, LLC acquired the assets and liabilities of Chef Menteur Credit Co II, LLC via a merger of Chef Menteur Credit Co II, LLC into EIP Credit Co II, LLC. // Item 6.B.(3): EIP is a private fund investment adviser established to make investments in large-scale ecological restoration and conservation projects. These projects meet a large and growing demand for environmental offsets that mitigate impacts to wetlands, streams and other important natural resources stemming from infrastructure, commercial, industrial and residential development. EIP’s primary investment focus is on mitigation for unavoidable and permitted impacts required by the federal Clean Water Act of 1972 (“Clean Water Act”) and Endangered Species Act of 1973 (“Endangered Species Act”). EIP’s differentiated approach involves the acquisition, entitlement, restoration, sustainable management, and, ultimately, divestiture of properties that generate revenues through the sale of wetland, stream, endangered species, and other environmental credits to entities seeking compliance under the aforementioned regulations. Additionally, EIP selectively undertakes investments that deliver regionally significant restoration projects through pay-for-success contracts whereby EIP finances, designs, and constructs large-scale projects, receiving fixed payments or performance-based revenues as ecological success milestones are achieved. EIP forms private funds to invest in these opportunities. Current income generated by the sale of mitigation credits and other fully-contracted pay-for-success contracts is expected to represent most of the total return for the private funds, with the remainder of the private funds’ total return expected to be driven by property divestment. // Schedule A: Managing Partners are listed as having control in Schedule A. While the definition of “Control” in the Form ADV instructions presumes that “each of your firm’s officers...executing executive responsibility...is presumed to control the firm,” as indicated in our Schedule A,
