Do not report those investments based on related or underlying portfolio assets. Cash equivalents include bank deposits, certificates of deposit, bankers' acceptances and similar bank instruments.

Some assets could be classified into more than one category or require discretion about which category applies. You may use your own internal methodologies and the conventions of your service providers in determining how to categorize assets, so long as the methodologies or conventions are consistently applied and consistent with information you report internally and to current and prospective clients. However, you should not double count assets, and your responses must be consistent with any instructions or other guidance relating to this Section.

One of the questions below. In accordance with General Instruction 5 to Form ADV, "you" and "your" include the *filing adviser* and all *relying advisers* under an *umbrella registration*.

Your *advisory affiliates* are: (1) all of your current *employees* (other than *employees* performing only clerical, administrative, support or similar functions); (2) all of your officers, partners, or directors (or any *person* performing similar functions); and (3) all *persons* directly or indirectly *controlling* you or *controlled* by you. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

No Information Filed

You may use the space below to explain a response to an Item or to provide any other information.

On June 6, 2023, the Securities and Exchange Commission filed a complaint (the "SEC Complaint") in the Southern District of New York against Coinbase Global, Inc. ("CBG") and Coinbase Inc. ("CBI") (23 Civ. 4738). CBG is an advisory affiliate of Coinbase Asset Management, LLC ("CBAM") because CBAM is a wholly owned subsidiary of CBG. The SEC Complaint alleges CBI is operating as an unregistered national securities exchange, broker, and clearing agency, and failed to register its staking-as-a-service program as a security. The SEC Complaint alleges CBG is liable for CBI's conduct because it exercises control over CBI as its parent company. As of the date of filing this Form ADV Part 1A, this matter remains pending. The Adviser includes the digital assets it manages in the calculation of the regulatory assets under management; however, this should not be interpreted as an indication that the Adviser believes that such digital assets are securities.
